

# WEALTHY ME™

TRANSFORM  
YOUR FINANCES

iLearn®

## A WEALTHIER YOU!

Managing money is a task people find tough, terrifying or terribly boring, if not all three!

You can now learn this crucial life-skill through the 60-day WealthyMe course and swap money stress for confidence using our proven process.

By joining this online course, learners will be empowered to regain control of their cashflow, get out of debt, beat the system and own their freedom using videos, case studies and learner stories.

## COURSE OUTCOMES

1. Confidence and skill to manage your money
2. Know how to draw up a budget and stick to it!
3. The importance of an emergency fund and how to put one in place.
4. How debt works and how to out of it (quickly!)
5. Why investing is crucial to wealth-building and how to do it.
